From Ibidem Press : Contemporary Theory and Practice of Organizations, Part I: Understanding the Organization before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Theory and Practice of Organizations, Part I: Understanding the Organization:

Organizations are the business worldrsquo;s central actors, employing multiple people who pursue collective goals

while linked to an external environment. This volume is the first of two books dedicated to defining current theories of organizations and their practices. The text is filled with contributions by alumni of the ESB Business School at Reutlingen University. Part I discusses contemporary organizational forms and properties, including team aspects. Part II provides a detailed overview of key themes in modern leadership and coaching, as well as organizational intervention.
