No page numbers and no numbers to find questions. do not waste your time purchasing this ebook as it will not help you find your assignments. I would love to be able to get my money back, but for me it may already be too late. However, you still have time before you WASTE YOUR MONEY. DO NOT BUY this book as an ebook. Write today's date and time down at least somebody had the courtesy to WARN YOU. Don't do it.0 of 1 people found the following review helpful. Five StarsBy Alexandra ZubiagaShipping was really good.
