Donald Sloan, Prue Leith : Culinary Taste (Hospitality, Leisure and Tourism) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Culinary Taste (Hospitality, Leisure and Tourism):

Culinary Taste: Consumer Behaviour in the International Restaurant Sector looks at the factors that influence our culinary tastes and dining behaviour, illustrating how they can translate into successful business in industry. With a foreword from Prue Leith, restaurateur, author, teacher, and prolific cookery writer and novelist, and a list of well-

known and respected international contributors from the UK, France, Australia and Hong Kong, this text discusses the issues involved from a multitude of angles.

"This fascinating text provides an insight into our food choices and our dining behaviour. It is an excellent read for those like me who work in the restaurant sector, or for anyone with a passion for food and wine. I warmly recommend it."Raymond BlancExcerpt. copy; Reprinted by permission. All rights reserved.Includes foreward from Prue Leith
