John Cummata : Debt Elimination 101 before purchasing it in order to gage whether or not it would be worth my time, and all praised Debt Elimination 101:

1 of 1 people found the following review helpful. Good Practical Book!By CustomerGood Sound advice with practical application guides! Forms can be produced via Excel without taking a lot of time. Good book for those just starting their adult lives.1 of 1 people found the following review helpful. Good points and useful adviceBy RealreviewGood points and useful advice. I personally thought it had a lot of filler information that could have been left out to make the book a quicker read, as I could have probably skipped the entire first chapter. Overall, I do think it is a good read if you are looking for advice on how to get out of debt.1 of 1 people found the following review helpful. Great startBy SheriGreat start to learn to pay off your debt and start over, not complicated, easy read. Short and to the point, learned

a lot in such a small book.
