**Steen Høyrup, Kirsten Møller : Employee-Driven Innovation: A New Approach** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Employee-Driven Innovation: A New Approach:

Presents research in Employee-Driven Innovation, an emergent field of study that meets the demand for exploiting new innovative potentials in organizations. There is a growing interest in creating new knowledge in innovation,

emphasizing human resources and social processes. The authors intend to take the global lead in research on these areas.
