**Maarten van Klaveren, K. Tijdens : Empowering Women in Work in Developing Countries** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Empowering Women in Work in Developing Countries:

Presents the outcomes of a major 14-country project aimed at empowering girls and young women. Provides a discussion of their choices in life, comparing factors such as family background, health, education, employment

opportunities and the use of and access to the internet.
