Amy Brann : Engaged: The Neuroscience Behind Creating Productive People in Successful Organizations (The Neuroscience of Business) before purchasing it in order to gage whether or not it would be worth my time, and all praised Engaged: The Neuroscience Behind Creating Productive People in Successful Organizations (The

Neuroscience of Business):

Neuroscience is revolutionizing our understanding of human psychology and behaviour. By showing how to apply this new understanding to how you recruit, manage, and develop your people, Brann is enabling you to deliver a step change in organizational performance and individual achievement.
