Tons of Wisdom; Great read!By ShalomThis book is a great read for anyone seeking fullness of life; anyone who wants to transcend their current situation to be free and live life purposefully and in the light of God. Mr. Allen pours out a lot of wisdom in this succinct piece of work. The author

draws a lot from biblical reference and personal observation. This is a great read for Christians, but I'd also say it's a great read for about anyone who is interested in living in peace and wholeness.0 of 0 people found the following review helpful. Comments on James Allen's *Entering the Kingdom*By Emory StephensJames Allen is an unusual thinker. He lived a short life, and I find it amazing that he could have acquired such wisdom in that brief time. I tend to think of deep thinking with older people. In any case, James Allen's advice is worth serious study. He is one of the most important authors I have read.0 of 0 people found the following review helpful. truly inspirationalBy CeliaJames Allen always delivers.
