Good resource despite being 9 years old...By JOHN J MITCHELL Having just bought about 10 books related to event marketing on , to brush up on my chops a little, I've been finding most of them to be somewhat useless. This book was better than most, despite being 2002 release. Lots of good general info on sponsorships, basic PR, market segmentation analysis, and promotion. I say buy it used, save some money, and enjoy the other books in this series. They seem pretty good. (I'm reading Wiley Events Risk Management now and it's pretty good as well...) 0 of 0 people found the following review helpful. A must have book for your Event Planning collection By Theresa Harley I have been studying event planning for a few years now. This book has some great information. If you are working in or wanting to work within the "Event Marketing" field, then this book is a must have for your book collection. 0 of 0 people found the following review helpful. Five Stars By

Olivia Palmieri Excited to crack this book open!

Authored by a well-known figure in the field. Overview chapters explore topics such as electronic marketing strategies, funding, budgeting, promotion, and advertising. Individual chapters address the differences involved in marketing different types of events. Examines future trends and key issues such as how to reach new event attendees. Includes appendices with sample forms, contracts, and more.

From the Back Cover **THE WILEY EVENT MANAGEMENT SERIES** The first complete guide to launching a highly visible event marketing campaign. Practical strategies and resources for achieving greater results! Event Marketing provides the most effective tools for carrying out every phase of a successful, integrated marketing campaign for any event, from conferences and expositions to fairs and festivals that host 20,000 people. It explains the powerful forms of promotion, advertising, and public relations that are needed to attract broad attention, motivate people to attend, and achieve the desired goals of an event. Features include: \* Overviews of event promotion, advertising, public relations, and electronic marketing strategies, as well as budget funding \* In-depth analyses of marketing for specific events, such as association meetings, conferences, corporate meetings, festivals, and many others \* An examination of future trends and innovative strategies for increasing attendance \* Comprehensive appendices that include sample forms for media releases, request for coverage announcements, audio and video new release scripts, public service announcement scripts, speakers' "talking points," and listings of media distribution and tracking services

The Wiley Event Management Series - Series Editor, Dr. Joe Goldblatt, CSEP

The Wiley Event Management Series provides professionals with the essential knowledge and cutting-edge tools they need to excel in one of the most exciting and rapidly growing sectors of the hospitality and tourism industry. Written by recognized experts in the field, the volumes in the series cover the research, design, planning, coordination, and evaluation methods, as well as specialized areas, of event management.

About the Author **LEONARD H. HOYLE, jr., CAE, CMP**, has managed and marketed events for major organizations, including the American Society of Association Executives (ASAE) and the Hospitality Sales and Marketing Association International. A former dean of ASAE's School of Management, he also served as Chairman of the Convention Industry Council (CIC) and Adjunct Professor at The George Washington University.
