**From Routledge : Expanding Disciplinary Space: On the Potential of Critical Marketing (Key Issues in Marketing Management)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Expanding Disciplinary Space: On the Potential of Critical Marketing (Key Issues in Marketing Management):

Expanding disciplinary Space: On the Potential of Critical Marketing provides an introduction to the major perspectives in critical marketing studies. It contains theoretical reflections on critical marketing whilst building on the key concepts and ideas, which are vital to the subject, through detailed empirical studies. An international collection of marketing experts discuss the eclectic character and potential of the critical turn within marketing theory and practice. Chapters explore topics such as marketing academia, consumer research, political marketing, marketing ethics, postcolonial epistemic ideology in marketing, marketing theory, and marketing for community development. The text is essential reading for all those interested in contemporary developments in marketing theory and practice irrespective of the discipline from which they originate. This book was originally published as a special issue of the Journal of

Marketing Management.
