**Brian Sawyer : Fire Phone: Out of the Box: A get-started-now guide to Firefly, Mayday, Dynamic Perspective, and other new features** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fire Phone: Out of the Box: A get-started-now guide to Firefly, Mayday, Dynamic Perspective, and other new features:

8 of 8 people found the following review helpful. very helpfulBy Cheryl FlemingThis short guide was very helpful for

me to get started with my Fire phone. Being a former Android user, this was totally foreign to me so the guide helped me understand how the basic functionality worked. I especially liked how he zoned in on the unique features of the Fire. Without this guide, I would have been missing out! 0 of 0 people found the following review helpful. Five Stars By wiggieworm Informative and easy to read. 0 of 0 people found the following review helpful. Five Stars By DAK full info on my phone

Dive straight into hot Fire phone features you won't find in any other device—like Firefly, Mayday, and Dynamic Perspective—with this concise hands-on guide. You probably already know how to make calls, text, and take photos with Amazon's new phone, but where it really shines is in innovative features you've never even seen before. This intuitive, easy-to-follow book opens a world of possibilities with the Fire phone, right out of the box. Instantly identify and order just about any product with Firefly—from DVDs, CDs, and books (or their electronic equivalents) to nearly anything else with a barcode. Use Mayday to get live, hands-on tech support and customer service right on your phone. Immerse yourself in 3D games, maps, and apps with the Dynamic Perspective sensor system. Navigate easily with new one-handed (and no-handed!) gestures found only on Fire phone.

**About the Author** Brian Sawyer is a Senior Editor at O'Reilly Media, where he manages the Missing Manuals division. He is also the author of *Kindle Fire: Out of the Box* and coauthor of *NOOK Tablet: Out of the Box* and *Best Android Apps*. You can find him on Twitter at @briansawyer.
