William Rudelius, Roger Kerin, Steven Hartley : Marketing: The Core, 5th edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Marketing: The Core, 5th edition:

3 of 3 people found the following review helpful. An informative book and great read!By dmseiferThis book proved to be a good read! I had to purchase it for a marketing class and thought it might end up being a boring read; however, it kept me engaged throughout the whole semester. It has all of the necessary information about the marketing process and all of the important concepts that individuals need to know.If you are interested in learning more about marketing or your wondering whether it will enhance your business, I recommend purchasing this book, as it will provide you with the necessary information.3 of 3 people found the following review helpful. this is a waste of money and I still have to purchase the ...By CarolineI ordered this version of the book because it stated it came with the McGraw Hill Connect and it does not. There were much cheaper versions, this is a waste of money and I still have to purchase the online connect access code.2 of 2 people found the following review helpful. love the text book for my classBy

Lindsay great book for the class, great examples and easy to read and stay interested. if i could make money in marketing when i graduated i would major in marketing because of this book and how it makes you excited about business and the American dream.
