coaster of ride most successful entrepreneurs take to finally "crack the code". This book illustrates this perfectly. In his book *Millionaire Within* E Brian Rose shares his many up and downs on the journey becoming a self-made millionaire. Sharing these moments via a short story format - it's an enjoyable easy read. There are many lessons almost any entrepreneur can learn - any many that some may already relate to. His tales of failure and eventual success will hopefully inspire some of you to jump in and start your own journey for all that have already taken the leap to stay the course ride the inevitable storms that the entrepreneurship journey will deliver. Go forth and prosper.....1 of 1 people found the following review helpful. Like the Wild Wild West of the Internet Frontier - this book reads like a novel By Greg Jameson Don't expect a text book accounting of how to do marketing. This is the author's personal story of his years in Internet marketing. It reads like a novel rather than a business book. Sure there is plenty to be learned in this book, but it is a really fun read. EBR says this is the world's best marketing book (I thought mine was!). Making that claim of course is one of the lessons in the book - like calling yourself what you want to be called. There are lots of good pieces of information throughout the book as you go on the journey with Brian from his time in the military to the start of JVZoo - it's all the stories in-between that really make this book fascinating. Having been involved in Internet marketing myself for as long as EBR has, I found some of the stories similar to my experiences and other - well, let's just say that the author has crossed paths with some colorful individuals. Pick up a copy of this book and read it. You'll be glad you did.1 of 1 people found the following review helpful. You think you know, but you have no idea...By Rob Jones Wow, this was a page turner! I finished the whole thing in a day. Couldn't put it down. I've followed EBR's rise for the last few years. I recognize some of the events, but this book reveals so much more of the story. It's like they say on that show *The Real World* on MTV..."you think you know, but you have no idea!" The story is so intriguing and any entrepreneur will be able to relate to the struggles EBR faced over and over again, although some of them were quite extreme. It's far from an ordinary entrepreneur's story. Brian has been there and done that through some seriously crazy situations most people couldn't even imagine. Things weren't all roses, and he doesn't hide that. He failed miserably plenty of times, and he got screwed over plenty of times. In his typical, ballsy, pissing-in-the-wind fashion, EBR has no problem naming names of the characters who wronged him along the way. After reading his book, I have a newfound respect for EBR, and I feel inspired to push further and harder in my business. If you're an aspiring entrepreneur, this book will give you amazing insights and motivate you toward success. If you're a successful entrepreneur, it will invigorate you. Not to mention, you'll pick up a few ingenious tactics to ramp up your business. My mind is reeling with ideas now. Finally, if you just love a good story, with tension, intrigue, danger, back-stabbing, and a myriad of twists and turns with a satisfying ending, you'll love this. I know I did.

Millionaire Within pulls back the curtain, giving you a front-row view of online entrepreneur E. Brian Rose's journey to becoming a self-made millionaire. Rose details the simple steps he took to make a fortune on the Internet. These tales of failure and success will motivate you to jump in and start your own journey. *Millionaire Within* is a book every entrepreneur needs to read. E. Brian Rose does a fantastic job taking you through the 'real' world of business building. And of course all roads lead to the Internet. You either understand online marketing or you are walking dead, but just don't know it yet." *Wayne Allyn Root* Bestselling author of "*The Power of RELENTLESS*" Former Vice Presidential nominee *Engaging... Intriguing... E. Brian Rose is masterful at mixing stories with teaching concepts. This book reads like a Hollywood movie!"* *James Malinchak* Featured on ABC's Hit TV Show, "*Secret Millionaire*" Author of the Top-Selling Book, *Millionaire Success Secrets* Founder, *BigMoneySpeaker.com*
