Juli Baldwin, David Cottrell : Monday Morning Leadership: 8 Mentoring Sessions You Can't Afford to Miss before purchasing it in order to gage whether or not it would be worth my time, and all praised Monday Morning Leadership: 8 Mentoring Sessions You Can't Afford to Miss:

0 of 0 people found the following review helpful. PowerfulBy Consumate ReaderThis book is a short but powerful

read. It was recommended to me by my mentor. I continue using the concepts to be a better leader, develop my team, and as I mentor other leaders. I recommend this book to others regularly and I do so now to all of you whether you think yourself a good leader or not. This is truly a gem. A leader's actions and inactions have long term consequences and this book is great at showing you just what those consequences can be. 11 of 11 people found the following review helpful. A Management Classic....By D. Kanigan This book is clear, crisp and hits the critical success factors for effective managers and leaders. The author uses powerful anecdotes to get his message across. This short book can be read inside of a few hours and should be on the required reading list for all new managers (and those needing a refresher). The chapter titles and key messages can be found below: 1) Drivers and Passengers (accept total responsibility for results w/o excuses; be a leader rather than a follower) 2) Keep the Main Thing The Main Thing (Focus on few critical needs and be certain everyone knows them) 3) Escape From Management Land (Get and stay close to your top people and help your best improve) 4) The "Do Right Rule" (Act with integrity) 5) Hire tough (Only hire and retain top performers) 6) Do Less or Work Faster (Manage time carefully by being more efficient at what you do) 7) Buckets and Dippers (Respect, recognize and cheer on your people) 8) Enter the Learning Zone (Continuous learning through reading, listening, trying new approaches, helping others) 1 of 1 people found the following review helpful. Worth the time By Nicola Rubalcaba None of the concepts were new to me but it was nice to hear it in a story telling manner vs. factual diatribe that can be rather boring. I do believe this is a great read for the new or struggling manager. It gives just enough that you hope they use it to start an additional learning path. I did find myself motivated to figure out how to best share some of the concepts creatively. And I did like the verbiage and positive vibe to the whole experience. It is a fast read as well so could be great for someone who is time crunched but could use to look at things a little differently. A good team read for a small group of leaders.

Monday Morning Leadership is a story that can help your career! Everyone likes a good story, especially if there are lessons that can be immediately applied to life. This book is one of those stories - about a manager and his mentor. It offers unique encouragement and direction that will help you become a better manager, employee, and person.

...a wonderful journey with a mentor. It will help you achieve the success and happiness you desire. It's great. -- Brian Tracy, Author of Maximum Achievement...an excellent reference book that provides sound leadership principles. -- T. Michael Glenn, President and CEO, FedEx Services A wonderful journey with a mentor. It will help you achieve the success and happiness you desire. It's great! -- Brian Tracy, author, Maximum Achievement Another inspiring work by David Cottrell. He brings home vividly what true leaders do for themselves and for others. -- Michael W. Grochowski, Regional Commissioner, Social Security Administration As insightful as it is concise. Its 'to the point' style provides a clear roadmap for becoming a better manager. -- Dan Amos, CEO, AFLAC Never has a book been so needed; never has there been a book to fill the need like Monday Morning Leadership -- Charlie "Tremendous" Jones, author, Life is Tremendous Never has mentoring been so needed; never has there been a book to fill the need like Monday Morning Leadership. -- Charlie as insightful as it is concise. Its 'to the point' style provides a clear roadmap for becoming a better manager. -- Dan Amos, Chairman and CEO, AFLAC, Incorporated From the Publisher This book is about real management issues, advice and solutions. It is written in an entertaining manner yet it includes some powerful messages. Each chapter is a stand-alone tool for management development and personal improvement.
