Stephen K. De Silva : Money and the Prosperous Soul: Tipping the Scales of Favor and Blessing before purchasing it in order to gauge whether or not it would be worth my time, and all praised Money and the Prosperous Soul: Tipping the Scales of Favor and Blessing:

14 of 15 people found the following review helpful. Revelational. Inspiring By J. Walczak I was used to Dave Ramsey as a Christian on money. So I guess I was expecting how to do investments, savings, budgeting etc. It really wasn't

what I was expecting- but I really got changed reading it. The mini-sozo sessions was sweet (especially since it's his wifes ministry!) I loved the insights as to the reasons why we tithe and give (so we can be like our Father) and I loved how he described the "potted plant" syndrome. That REALLY helped my familys finances. Excited to read it again (and again) You want freedom? You want more Jesus? You want to read this book. FYI- I totally support (and follow) Dave Ramsey, wanted to make that clear. 0 of 0 people found the following review helpful. Fantastic Read if you're willing to put in the work. By Nicolas Blank Significantly impacted my view on myself and how I handle money and success. The caveat here is that you're willing to put in the work and adopt the tools which Stephen details, otherwise the book is meaningless in its application. I found that a casual read didn't do much for me, however re-reading, digesting and mulling the principles (part of doing the work) was significant in its results. I would highly recommend this book to anyone who wishes to understand their true views towards money and understand what the implications of those views are. 1 of 1 people found the following review helpful. So good! By Adam James Fantastic revelation on the spirit of Poverty and Mammon. Highly recommended for anyone looking for more financial wisdom. Great stuff!

In an age of mounting credit debt, get-rich-quick schemes, and high unemployment, many people are left wondering, "Why am I always struggling with finances? Why can't I seem to get ahead?" While the market is flooded with short-term help, few resources address the root spiritual problems behind money. In a warm, conversational style, CFO and CPA firm owner Stephen K. DeSilva offers a unique, prophetic/supernatural approach to handling money. This respected charismatic leader combines financial philosophy, biblical truth, supernatural deliverance, and prophetic teaching, and also offers related practical and prophetic exercises throughout each chapter. Money and the Prosperous Soul will help every believer struggling with lack to overcome wrong thinking and destructive cycles and learn the biblical and supernatural principles of success. Free online resources make this a perfect resource for small group classes and self-study.

About the Author Stephen K. De Silva teaches full-time on subjects related to Money and the Prosperous Soul. The Prosperous Soul family of ministries is based in Redding, California, where Stephen enjoys life with his wife, Dawna, founder and co-leader of the international healing and deliverance ministry Bethel Sozo International.
