I now want to purchase the full book to get the rest of the important information.0 of 0 people found the following review helpful. Good tips!By Jeannie BlytheThis book is a come-on for a reasonably priced book, however, I am still glad I read it, and may purchase the actual "training manual".0 of 0 people found the following review helpful. British teaserBy Swirl*girlSome of the advice is universal but most is specific to the UK. Also this is just a teaser for a whole book.
