I would definitely recommend this book to everyone who has issues with following a set budget. This is the book that has helped me to fully understand why having saved money for the unexpected is very important. Gary

Keesee reminds use that money has always been important in the world, and that there have been plenty of issues with using money. Thank you Mr. Keesee. 2 of 2 people found the following review helpful. Revelation on Money By Louis McCall Money Mysteries from the Master is not a re-hash of the greatest hits speakers remind you of before taking up an offering. It contains fresh revelations of God's wisdom relating to money, finances, and provision. 2 of 2 people found the following review helpful. Best Financial Book I have ever read! By Gems4Yeshua This book was a book I could not stop reading! I will read it again more slowly so I catch everything the author said. I have looked at his websites and he is legit! I will be ordering his "stuff" to reinforce what I have read. Gary tells his story, share insight from Jesus' parables and kept me I tributes because I know he is speaking TRUTH! I am getting ready to launch a business and what I read will make the business successful as I partner with God. He explains sowing and reaping in a way I could really understand! I recommend this book to everyone!
