**Oslash;. Kvalnes : Moral Reasoning at Work: Rethinking Ethics in Organizations** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Moral Reasoning at Work: Rethinking Ethics in Organizations:

0 of 0 people found the following review helpful. InterestingBy TJAs the culture norms are changing rapidly,it is now reflected in the work place. This book gives some great classic references that any organizational leader should know.0 of 0 people found the following review helpful. I've enjoyedBy CustomerUnderstandalbe and very clear book

showing real life examples to illustrate easily moral and ethic concepts. I've enjoyed reading 0 of 0 people found the following review helpful. Five Stars By LynnGotta work at reading this one, but valuable for those interested.

This book is open access under CC-BY license. Moral dilemmas are a pervasive feature of working life. Moral Reasoning at Work offers a fresh perspective on how to live with them using ethics and moral psychology research. It argues that decision-makers must go beyond compliance and traditional approaches to ethics to prepare for moral dilemmas.

About the Author Oslashyvind Kvalnes is an associate professor at BI Norwegian Business School. He has facilitated moral reasoning sessions in a range of organizations in the private and public sectors. His main research and teaching interests are in ethics, moral psychology, leadership, and excellence in organizations.
