From Palgrave Macmillan : Multi-rational Management: Mastering Conflicting Demands in a Pluralistic Environment before purchasing it in order to gage whether or not it would be worth my time, and all praised Multi-rational Management: Mastering Conflicting Demands in a Pluralistic Environment:

Multi-rational Management explains the concept of multirational management and illustrates it with many practical examples. It has primarily been written for 'reflective practitioners', i.e. those executives who continually think about their organisation and their own roles in that organisation.
