Massimo Bergami, Pier Luigi Celli, Giuseppe Soda : National Monopoly to Successful Multinational: the case of Enel before purchasing it in order to gage whether or not it would be worth my time, and all praised National Monopoly to Successful Multinational: the case of Enel:

Using the Enel case, this volume unpacks the effective implementation of an ambidextrous perspective on adaptation and change, providing some key lessons for managers and scholars. It begins by exploring Enel's recent history, before

mapping the steps of a remarkable transition from public monopolist to a successful transnational group.

About the Author GIUSEPPE SODA is Professor of Organization Theory and Network Analysis in the Department of Management and Technology at Bocconi University and Director of the Claudio Dematteacute; Research Division at SDA Bocconi School of Management, Italy.
