Invaluable Mortgage EducationBy Jeremy BridgemanThorough discussion of mortgages and how to research and assess them.

Buying a home is the largest, most nerve-wracking purchase most of us ever make. It doesn't help when choosing a mortgage means entering a maze of unfamiliar words and confusing options that can leave us intimidated, frustrated, and afraid we've been taken advantage of. That's why *Navigating the Mortgage Maze* is a crucial book for consumers—especially if they're reeling from the current mortgage melt-down and need straightforward, easy-to-understand help from a trusted source. With 25 years of experience in the mortgage industry and a keen understanding of the average reader's needs in getting a good mortgage, Dale Vermillion is perfectly positioned to be America's "go-to" expert. In addition to instantaneous help through www.dalevermillion.com and an easy-to-use online mortgage calculator, the book features a clear and compelling presentation of the gospel. It's one Dale has shared with tens of thousands of mortgage professionals throughout North America—and it will deeply impress the reader that the greatest purchase in history isn't a good mortgage, but what Jesus Christ purchased for us on the Cross.

Practical, specific, personal, balanced and intensely helpful . . . the kind of sound advice and hope families need in times like these. Truly, you can't beat this!—Dr. Ron Jenson, bestselling author, speaker, and executive life coach
One of the best investments you can make is to buy this book, put its principles into practice, and save tens of thousands of dollars. if not more!—Ethan Pope, president, Foundations for Living, author and speaker
