The authors explain how to effectively ask great questions in a negotiation. With each question, they explain what the question implies and how and when to use it. They also explain how to

respond when someone else tries to use the questions against you in a negotiation. This book is a great read if you are new to negotiation or experienced because it gives you great insight. 0 of 0 people found the following review helpful. Four Stars By K. A. Pa The most practical negotiating book out there. 0 of 0 people found the following review helpful. Sound advice By Colleen Minson Down to earth and easy to understand. Excellent advice for everyday as well. It will take away your fear of negotiating.

The Most Practical Book on Negotiating Ever Written Negotiating is an art. It's complicated. To become an exceptional negotiator traditionally requires years of experience in negotiations. But that doesn't mean that most people can't quickly and easily learn proven negotiating skill and techniques if someone shows them what to do. This book does exactly that. Never Lose Again reveals a simple but remarkably effective set of fifty questions that anyone can immediately use to become far better negotiators. The fifty questions apply to all types of negotiation situations, from conflicts like buying a home or car to business transactions of all kinds. Each question has been designed to put you in the best position possible, helping you to avoid tricks, break deadlocks, discover conflict and dispute resolutions, and find hidden deals in all types of negotiations. No other book on the market distills the key negotiation principles into such a simply, effective, and instantly usable form. By learning to use these questions, you can start thinking like expert negotiators and make better deals for yourself, your family, and your business.
