This is THE BOOK to buy if you are considering bankruptcyBy Paula WhiteComprehensive, current information which fully explains the bankruptcy process. Allows the reader to consider various options. There are clickable links in the table of contents to take the reader to items such as means test, resources, all bankruptcy forms. I give this book the highest rating. It is not a spam book filled with affiliate links. Straight forward information with helpful links to take you to sites that can provide additional information. Certainly worth the price I paid.3 of 3 people found the following review helpful. If you are thinking about declaring bankruptcy...By D. Kelly...read this book! It is a great introduction to the subject of personal bankruptcy. When a consumer gets into debt over their head and is unable to keep up the payments on the bills, sometimes bankruptcy is the best way out. The author explains the differences between Chapter 7 and Chapter 13 and why a debtor would choose one or the other. He also explains the means test, which determines whether Chapter 7 bankruptcy is available.

He explains the purposes of bankruptcy as well as the consequences. He also explains the limitations of bankruptcy. Not all debts may be discharged and some property is excluded from the reach of creditors. The book is written for the average reader and the language is clear and concise. This book does not cover Chapter 11 bankruptcy, which is for businesses, or Chapter 12 bankruptcy, which is for farms. It does not provide step-by-step instructions for filing bankruptcy. For that, you will need another book. The book is fairly short and half of its content is made up of a glossary, sample forms, and a table of federal and state exemptions. I highly recommend this book to anyone who is considering personal bankruptcy. 0 of 0 people found the following review helpful. You can't get a better book than Nolo. By Mel T. Written very well and it is easy to understand. I always relied on Nolo as they put more thought in their material than most authors regarding bankruptcy.

Choose the best bankruptcy option Is bankruptcy right for you? It's tough to know on your own. Here, you'll find clear-cut answers, worksheets and strategies to help you figure out whether bankruptcy is the best solution for your debt problems. Find out: Whether you qualify for Chapter 7 bankruptcy which debts are wiped out how Chapter 13 repayment plans work how bankruptcy affects homeowners whether you can keep cars and other property how bankruptcy affects creditors other ways to handle debt problems The 6th edition includes updated state and federal exemption tables that list which assets you can keep if you file for bankruptcy. It also provides helpful worksheets, checklists and sample forms.

Authoritative, comprehensive and packed with helpful advice and useful information, including state-specific details. Eric Tyson, Author of Personal Finance For Dummies; it's important to know whether [bankruptcy] remains a viable option, and this book will offer both explanations and reassurance. Accounting Today About the Author Until his death in late 2011, Stephen R. Elias was a practicing attorney, active Nolo author, and president of the National Bankruptcy Law Project. He was the author or coauthor of many Nolo books, including How to File for Chapter 7 Bankruptcy. Steve held a law degree from Hastings College of Law and practiced law in California, New York, and Vermont before joining Nolo in 1980. He was featured in such major media as The New York Times, The Wall Street Journal, Newsweek, Good Morning America, 20/20, Money Magazine, and more. The blog he began on bankruptcy and foreclosure law continues at Nolo's Bankruptcy Foreclosure Blog. Leon Bayer is a Los Angeles, California bankruptcy attorney, practicing since 1979. His primary focus is on representing individuals and small businesses in Chapter 7 and Chapter 13 bankruptcy. He is a founding partner in the California law firm of Bayer, Wishman Leotta and is a Certified Specialist in Bankruptcy Law. To learn more about Leon, you can visit his Los Angeles Bankruptcy Blog or his Los Angeles bankruptcy attorney website. Mr. Bayer is a coauthor of Nolo's The New Bankruptcy: Will It Work for You?, authors the "Ask Leon" series on Nolo's Bankruptcy, Debt Foreclosure blog, and writes on bankruptcy topics for Nolo's website.
