imposing. The book gives very helpful advice on how to present the concept in a way that helps motivate and offers suggestions on how to elicit support from the executive staff. 0 of 0 people found the following review helpful. A must read for getting started with OKR's

By CustomerWe're a 35 person software company that is growing rapidly and needed to add more structure surrounding our cross-functional goals and priorities. This is a great resource to dive into the details of launching OKR's and the parameters to consider when going through the process. 0 of 0 people found the following review helpful. The best book relating to OKRs so far!

By Nopadol Rompholf you want to know what OKRs is all about, I would strongly recommend you to read this book. It is so informative and insightful.

Everything you need to implement Objectives and Key Results (OKRs) effectively

Objectives and Key Results is the first full-fledged reference guide on Objectives and Key Results, a critical thinking framework designed to help organizations create value through focus, alignment, and better communication. Written by two leading OKRs consultants and researchers, this book provides a one-stop resource for organizations looking to quantify qualitative goals and ensure each team focuses their efforts to make measurable progress on their most important goals.

You'll learn how OKRs came to be and how leading companies use them every day to help teams and employees stretch their thinking about what's possible, build their goal-setting muscles and achieve results that reflect their full potential. From the basic framework to a detailed dissection of best practices, this informative guide walks you through real-world implementations to help you get the most out of OKRs. OKRs help employees work together, focus effort, and drive the organization forward. Key results are used to define what it means to achieve broad, qualitative goals, and imperatives like "do it better" are transformed into clear, measurable markers. From the framework's inception in the 1980s to its popularity in today's hyper-competitive environment, OKRs make work more engaging and feature frequent feedback cycles that enable workers to see the progress they make at work each and every day. This book shows you everything you need to know to implement OKRs effectively.

Understand the basics of OKRs and their day-to-day use
Learn how to gain the executive support critical to a successful implementation
Maintain an effective program with key assessment tips
Tailor the OKRs framework to your organization's needs

Objectives and Key Results is your key resource for designing, planning, implementing, and maintaining your OKRs program for sustainable company-wide success.

From the Inside Flap

Objectives and key results (OKRs) are integral to connecting the goals of teams and employees with the strategy of the organization in order to drive focus, alignment, engagement, and execution. Objectives and Key Results is the first comprehensive guide for using OKRs to overcome today's sophisticated challenges, including the difficulties of executing strategy, building new organizations, sustaining growth, mitigating the risk of disruption, and prioritizing employee engagement. In this A-to-Z guidebook for understanding OKRs and effectively implementing them at any organization, two leading experts walk you through the beginnings of OKRs at Intel in the 1980s to the innovative ways companies such as Flipkart, GoNoodle, and TaxSlayer are using OKRs to gain a competitive edge today. You'll find insightful coverage of this valuable critical-thinking framework for enabling teams and employees to reimagine what they can achieve, build their goal-setting muscles, and actually accomplish their full potential day after day. This turnkey program outlines all the steps you need to successfully launch OKRs and make them sustainable, including the specific times and types of reviews essential to an effective OKRs cycle. An in-depth look into the latest software solutions addresses the most beneficial ways to use modern tools, as well as providing the twenty critical questions to answer before investing in any software. Keep this convenient resource at your fingertips for: All the know-how and strategy for winning the necessary executive support to successfully integrate OKRs into an organization
A detailed examination of the most up-to-date best practices for designing and sustaining a successful OKRs program
Firsthand insight into customizing the OKRs framework to perfectly connect the goals of your organization

Objectives and Key Results is your complete, one-stop resource for bringing this highly valuable method of defining, aligning, and tracking goals to your business.
