M. Kahancová : **One Company, Diverse Workplaces: The Social Construction of Employment Practices in Western and Eastern Europe** before purchasing it in order to gauge whether or not it would be worth my time, and all praised One Company, Diverse Workplaces: The Social Construction of Employment Practices in Western and

Eastern Europe:

The book offers an inquiry into the construction of employment practices in a multinational company across Western and Eastern Europe. In the complex corporate and host-country influences, social interaction between the firm and local actors is presented as the underlying social mechanism through which work practices are constructed.
