Anna Grandori : Organization and Economic Behaviour before purchasing it in order to gage whether or not it would be worth my time, and all praised Organization and Economic Behaviour:

Organization and Economic Behaviour presents all the basic elements of organizational theory and behaviour. Different approaches are analysed, with a strong focus on reintegrating sociological, psychological and economic contributions to the subject. This unique volume is clearly written and is designed to address a wide audience, including students and academics, with the following material: * case studies and illustrations * exercises * discussion questions * further reading suggestions * a glossary.
