John B. Miner : Organizational Behavior 4: From Theory to Practice: Volume 4 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Organizational Behavior 4: From Theory to Practice: Volume 4:

0 of 0 people found the following review helpful. OBBY Hoang Hue Chi This book is specially useful for literature review once you have identified the specific area of your interest. It gives you a clear flow on how the school of ideas comes into shape.

This unique work bridges the gap between theory and practice in organizational behavior. It provides a practical guide to real-life applications of the 35 most significant theories in the field. The author describes each theory, and then

analyzes its usefulness and importance to the successful practice of management. His analysis covers key managerial topics such as goal setting, training and development, assessment, job enrichment, influence processes, decision-making, group processes, organizational development, organizational structuring, and effective organizational operation.

"The state of the art of organizational behaviour theories" Academy of Management About the Author Jack Miner has written more than 50 books and over 140 articles in leading journals. He is a Fellow and Past President of the Academy of Management and also a Fellow of the American Psychological Association.
