**Harsh Pathak : Organizational Change** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Organizational Change:

Organizational Change provides a discussion of change in relation to the complexities of organizational life, offering comprehensive coverage of the significant ideas and issues associated with change at all levels of organizational activity from the strategic to the operational and at the individual, group, organizational and societal levels. The book seeks to meet both the academic and applied aims of most business and management courses and is for both graduate as well as postgraduate business studies students
