E. L. Trist, G. W. Higgin, H. Murray, A. B. Pollock : Organizational Choice (RLE: Organizations): Capabilities of Groups at the Coal Face Under Changing Technologies (Routledge Library Editions: Organizations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Organizational Choice (RLE: Organizations): Capabilities of Groups at the Coal Face Under Changing Technologies (Routledge Library Editions:

Organizations):

This book develops and applies a new approach to the study of the working group and indeed of productive enterprises more generally. Unlike similar studies, in this volume the human is related back to the technological, and it is the socio-technical system as a whole that is the object of study. The work reported in this book shows how alternative modes of work organization can exist for the same technology, giving the possibility of organizational choice.

About the Author Multivolume collection by leading authors in the field
