Colin C. Williams : Re-Thinking the Future of Work: Directions and Visions (Management, Work and Organisations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Re-Thinking the Future of Work: Directions and Visions (Management, Work and Organisations):

How will work be organised in the future? With its global perspective and critical approach, Re-Thinking the Future of

Work provides not only an overview and examination of the array of competing visions, but also a radical rethink about the direction of change.

'...thought provoking, profound and based on sound research. It is well crafted and I recommend it to anyone who is interested in, among other things, helping to shape the future for those people throughout the world who are not empowered to do it for themselves.' - Tony Gould, Industrial Relations nbsp; '...the book is precise, up-to-date and well-informed: it offers a comprehensive state of the art of contemporary social theory.' - Enzo Mingione, Urban Studies
About the Author COLIN C. WILLIAMS is Professor of Strategic Management in the School of Management at the University of Sheffield, UK.
