From Palgrave Macmillan : **Revealing and Concealing Gender: Issues of Visibility in Organizations** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Revealing and Concealing Gender: Issues of Visibility in Organizations:

Issues of visibility and invisibility are becoming increasingly apparent in gender research in organizations. This book will not only further develop current theoretical ideas around being seen and unseen within organizations, but will also provide us with the opportunity to problematize the concepts of visibility and invisibility.
