Robert T. Kiyosaki : Rich Dad Poor Dad for Teens: The Secrets about Money--That You Don't Learn in School! before purchasing it in order to gage whether or not it would be worth my time, and all praised Rich Dad Poor Dad for Teens: The Secrets about Money--That You Don't Learn in School!:

0 of 0 people found the following review helpful. Loved it!By CaseyI bought this for my 17 year old granddaughter who has always had and entrepreneurial mind since she was very young. I read it first and learned a lot so now decided to get one for my kids who are in their twenties. Then on to the big people books!0 of 0 people found the following

review helpful. My kids are loving it. Thank you for a ...By Joyce G. My kids are loving it. Thank you for a challenging moment that made me as a parent to step up the game and teach my kids about money through your books. I look forward to meeting you one day to say thank you. I will surely enroll and in done years to come enroll my kids as they are still young. God bless and may you increase. 0 of 0 people found the following review helpful. Five Stars By Nichole Helmstetler Great book with lots of smart lessons for teens.

Yoursquo;re never too young to learn the language of money and the lessons that rich dad taught Robert. Like it or not, money is a part of our everyday lives and the more we understand it, the better the chance that we can learn to have our money work hard for us instead of working hard for money all our lives. That starts with learning the language of money. This book, created from the international bestseller Rich Dad Poor Dad, shares Robert's inspiring person story but teaches how to make smart choices. Packed with straight talk, sidebars, and quizzes, this book will jumpstart a child's personal and financial success by teaching: How to speak the language of money, ways to make money work for you, tips for success (including: Work to learn, not to earn.), and why games can help you understand money, investing, and ways to choose your best path to financial freedom.

From School Library Journal Grade 6 Upndash; Kiyosaki, a bestselling author for adults, has specifically targeted teens in his attempt to promote his philosophy. What makes this book unique is his approach to how he thinks about accumulating wealth and about having money work for the earner. "Poor Dad" accepts the notion that he will never be rich and thinks that "money doesn't matter." "Rich Dad" thinks that "money is power." Teens are encouraged to be creative in developing ways to earn cash and to limit spending. A chapter on identifying individual strengths and learning styles while developing a financial IQ on the path to financial freedom is a lesson for any age. Sidebars and quizzes promote individual ideas and concepts. Teens will be attracted by the notion of playing games to learn more about acquiring assets and managing money. The glossary clearly explains financial terms. An entertaining and informative book. ndash; Kathleen A. Nester, Downingtown High Ninth Grade Center, PA About the Author Robert Kiyosaki has challenged and changed the way tens of millions of people around the world think about money. With perspectives that often contradict conventional wisdom, Robert has earned a reputation for straight talk, irreverence and courage. He is regarded worldwide as a passionate advocate for financial education.
