I've been searching for a simple way to explain money, banking and finance to my family and now it's in a 2 hour read! Mark Quann and Jeff Cohen have done a masterful job of providing an easy to follow roadmap to financial success and how to save big money on all your banking needs.5 stars all around, a great read!by another Jeff Cohen (not the co-author)4 of 4 people found the following review helpful. What an eye opener!By CustomerWhat an eye

opener! I learned more in a few hours than any financial knowledge from schools combined. I would recommend this simple to read and easy to understand book to anyone. 2 of 2 people found the following review helpful. AmazingBy LoganI am 19 and I've grown up with some of this knowledge, thankfully due to amazing parents. But a lot of this is new, especially the fact that this book actually tells you what to do unlike most books regarding finances. That, in itself deserves 5 stars.

What the banks don't want you to know about money. How taking your money away from the banks can start you on the path to financial independence. Bank fees, credit cards and low interest rates mean that you are supporting big bank profits with money that could be building wealth for your future. No matter how much you earn there is a way to play it smart and start building your financial future.
