Wow, it seems with a lot of what goes on on the Internet (SPAM, Hackers, Trolls, and BS Scams) one would wonder if there is such a thing. Oh, but there is---and you better know the law and policy behind it all. get this book.0 of 0 people found the following review helpful. Marketing ethics is the systematic study of how moral standards are applied to marketing decisions, behaviors, and institutions. This guide to marketing ethics provides all the key terms and concepts in a short, easy-to-use format, with each entry written by a scholar from the field of business or marketing ethics. This essential companion can be used in a number of marketing courses and will be a valuable reference for practitioners.

"A brief overview of marketing ethics could be incorporated into courses dealing primarily with another topic to add ethics into the curriculum or it could be used in a stand-alone marketing ethics class."--Bruce A. Huhmann
The proposed text has many different sections that can only enhance classroom discussions I think the TOC is strong and will make for a thorough text. --Michael J. Messina
