One of the best sales books I've ever readBy stefreedMy sales team read and discussed this book in a "book club" type of forum. We all agreed- its one of the best

sales books we've ever read. The advice is REALLY good, no matter what industry you are in. I especially loved the chapters about how to organize your month. Great advice- and if you follow it, you WILL increase your sales. 1 of 3 people found the following review helpful. Outsmart the Competition By Mark J. Sherony If you want to learn how to sell smart, read SalesBurst. I was a part of EVCOR, which is where Pat Evans developed the SalesBurst methodology. The principals of SalesBurst helped make my company grow at an incredibly fast rate and ultimately made me wealthy. I still use these techniques today. SalesBurst is a must read for anyone who wants to succeed in sales and mandatory for my sales force at MarXam LLC.
