David Bach : Smart Women Finish Rich before purchasing it in order to gage whether or not it would be worth my time, and all praised Smart Women Finish Rich:

0 of 0 people found the following review helpful. HopeBy JerseyGirl391Although I haven't finished this book yet, I truly appreciate the testimonials of other women who were in similar situations as myself, and how they overcame their financial demise. It made me feel as though I am not alone, and that I, yoo, can manage my money better.11 of 11 people found the following review helpful. DO NOT PASS THIS BOOK UP!!!By G. JenningsDavid Bach is very honest and straight forward about money without being patronizing. He's a realist and explains why it's important, in

fact more important, for women to take charge of their finances. It was his grandmother who taught him at an early age the value of money. When he later grew up to discover that so many women in America did not have the same savvy, he was inspired to write "Smart Women Finish Rich". The first 1/3 of his book points out how so few Americans today don't have enough money saved to retire by age 65, usually attributed to ignorance, overspending or sheer misunderstanding about how investment works. Even high-income wealthy people come into his office financially destitute because of poor financial habits. He explains in layman's terms everything from a Small-Cap fund and annuities to the mistakes of leaving your IRA account to a living trust when you die. Best thing of all about this book: He asks the individual to address what the value of money means to them. Most people say "security", and then he asks them to define in specific terms what they mean. Answers have ranged from "Financial freedom to do whatever I want when I want and how I want" to "Having free time to spend with my kids" to "Doing what the Lord Wants me to do." This is a very practical book with a lot of heart. This is book written specifically for women in a tone that we can understand and appreciate. I'd advise men to read it as well. A must have. Don't go without it. 0 of 0 people found the following review helpful. Great book. I found myself highlighting alot as there ...By G. Edwards Great book. I found myself highlighting alot as there was tons of very practical advice. I will admit though, that as I am not from the US, I found that I glazed over much of the tax information. I'm sure it'll be helpful to those from the USA though. Tax references aside, I'd recommend this book to all women looking to get a hold of thier finances.

Many women, whether they've managed million-dollar budgets at work or managed kids, bills, and car payments at home, feel at a loss when it comes to figuring out their finances. Now, in *Smart Women Finish Rich*, renowned financial adviser David Bach gives women the tools and the program they need to create a rich future. Whether you're working with a few dollars a week or a significant inheritance, Bach's seven-step program can provide a huge payoff. *Smart Women Finish Rich* will put you in control of your finances and your future. "David Bach is a financial genius with a passion for helping women get rich. Read this book--and prosper!"--Laurie Beth Jones, bestselling author of *Jesus CEO* "Finally, a book for women that talks about money in a way that makes sense. David Bach is not just an expert in managing money--he's the ultimate motivational coach for women. I can't recommend this book enough. It's a must-read!"--Barbara DeAngelis, Ph.D., bestselling author of *Real Moments* "Finally, a financial planning guide that addresses the unique issues that women face today. But what I like the most is that David starts with the most important principle: aligning your money with your values."--Harry S. Dent, Jr., bestselling author of *The Roaring 2000s* From the Trade Paperback edition.

"David Bach is the one expert to listen to when you're intimidated by your finances. His easy-to-understand program will show you how to afford your dreams."--Anthony Robbins, author of *Awaken the Giant Within* "Inspires women to start planning today for a secure financial future. Every woman can benefit from this book . . . Bach is an excellent money coach."--John Gray, bestselling author of *Men Are from Mars, Women Are from Venus* From the Trade Paperback edition. From the Inside Flap Completely Revised with Updated Tax Law Information, Income-Building Strategies, Online Resources, Success Stories, and More With hundreds of thousands copies in print around the world, "Smart Women Finish Rich, by renowned financial adviser David Bach, has shown women of all ages and backgrounds how to take control of their financial future and finish rich. Whether you're working with a few dollars a week or a significant inheritance, Bach's nine-step program gives you tools for spending wisely, establishing security, and aligning money with your values. Plus, in this completely revised and updated edition, David Bach includes critical new long-term investment advice, information on teaching your kids about money, Internet resources, and new ways to attract greater wealth--personal and financial--into your life. About the Author A senior vice president of a major New York brokerage firm, David Bach is a partner of The Bach Group, which manages over a half-billion dollars of individual investors' money. The national bestselling author of *Smart Couples Finish Rich*, Bach is the host of his own PBS television special, "Smart Women Finish Rich." His investment principles are taught nationally through his *Smart Women Finish Rich* and *Smart Couples Finish Rich* seminars, which are hosted by 5,000 financial advisors in 1,500 cities with more than 100,000 attendees annually. He lives in San Francisco, California, with his wife, Michelle. Visit his website at www.finishrich.com.
