By Tom St. Dennis  
This book is an easy-to-read yet scholarly work that gave a comprehensive overview of the state of Social Entrepreneurship and all its permutations within contemporary society. If you want to understand what else there is beyond the traditional nonprofit, read this book and prepare to be catapulted to a much deeper and broader realization of the opportunities and challenges facing this fundamental lynchpin of a strong democracy.

Book was for a family member No complaints regrading quality Family member is a professor and will be using book for fall semester

An expert's inside look into the ways social entrepreneurship is changing the world Whether you're a policymaker, investor, or involved in a nonprofit, *Social Entrepreneurship for the 21st Century* gives you the knowledge you need to make the best possible decisions for the future. A former McKinsey consultant reveals how social entrepreneurship has filtered into the workings of government and private enterprise, where social sector values are now shaping "social impact" capitalism. Georgia Levenson Keohane is a Roosevelt Institute fellow, foundation executive, and former McKinsey consultant. She advises a range of poverty-fighting organizations, including philanthropies (Robin Hood Foundation), educational entities (New York City Charter School Center), community development organizations (Civic Builders), and think tanks (The Aspen Institute). She is an adjunct Professor at Columbia Business School.
