**Aliza Sherman, Danielle Elliott Smith : Social Media Engagement For Dummies** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Social Media Engagement For Dummies:

1 of 1 people found the following review helpful. Worth buying By Dukes fan Easy to read and understand, well written. Great if you need information on this vast topic as the author covers most topics and makes it easy to understand. 0 of 0 people found the following review helpful. Excellent book. By Garrison56 Excellent book. 0 of 0 people found the following review helpful. Four Stars By Corliss L. Harris Not quite what I was looking for but a great help nevertheless.

Put "engage" front and center in your social media marketing engagement strategies! When you focus on the engagement side of a social media marketing strategy, you'll build and grow relationships with followers and customers, craft content just for them, analyze how they're responding, and refocus and refresh your campaigns accordingly. This smart guide shows you how to do all that, and then some. From building trust to sparking conversation to using video and other tools, this creative book is a must read if you want to discover all that goes into

the most important aspect of today's social marketing.
