CONTROL YOUR EMAIL: DON'T LET EMAIL CONTROL YOU.

"Smart people are lazy. So if you want to double your effectiveness and productivity emailing clients, colleagues and friends. Read this book." Eelco Smit, Personal Business Coach for Entrepreneurs and Bestselling Author of *Book for Men*

"Simplicity is underestimated. Richard has sharpened the knife of day-to-day email management in the leanest possible way." Nick Bortot, Founder and CEO of FinTech startup *BUX*

"Speedmailing is a concise action plan for mastering email. Richard has distilled thousands of hours of training into an easy to follow guide that will turn your inbox from a burden into a powerful business tool." Marshall Hughes, Inbox Zero Coach at coach.men

"Richard gives us a practical approach to email that really works, with useful habits and shortcuts that can drastically change the way we work. If you want to tame the monster that email has become, this book is for you. Forget emailing – the future is Speedmailing!" Shirley Taylor, International bestselling author of *Model Business Letters*, *Emails Other Business Documents* 7th Edition

"All my career I have focused on how we can get more leverage from our brain and process information quicker and better. Richard's way of dealing with email blew me away when I realised that I will spend less energy on a per email basis, today and every day from now on. What a return on investment!" Mark Tigchelaar, CEO of UseClark and Specialist in Speed Reading and Productivity

"An easy and practical life changer, one of these books of which you think why didn't I read that earlier, it would help me so much" Marine Guignardeau, Learning and Development Manager, *L'Oreal* Netherlands

"Until bots and AI solve the hassle of email, dealing with large quantities of email is a skill that is rarely mastered. This is definitely one of the best books on it and should be mandatory for every knowledge worker." Martijn Aslander, Speaker, Writer and Boardroom Sparring Partner

CONTROL YOUR EMAIL: DON'T LET EMAIL CONTROL YOU. About the Author Richard Wolfen set up *Email Handyman* in 2008 to help people deal more effectively with their daily deluge of email. They offer in-house and online workshops for individuals and companies in 7 languages and over 10 countries worldwide. Richard is fascinated with how we create technology to increase our productivity and then often seem to achieve the opposite. Richard has a passion for finding easy ways to make technology work for us rather than against us. After business school and many years in the Internet industry, Richard decided to dedicate himself to helping people use one of the most ubiquitous technologies around today: Email.
